OBJECTIVES

The comparative survey aims:

- to detect experiences, skills and training needs of teachers with the aim of detecting strengths, areas for improvement and development prospects
- to reconstruct the digital innovation trend in educational agencies (meso level), supporting the accompanying demands of educational agencies.

Co-funded by the
Erasmus+ Programme
of the European Union

RESEARCH QUESTIONS

Survey questions arise around 3 main issues:

- *What is the daily practice of teaching in relation to the technological equipment provided by the school?*
- *How does the use of technologies and personal resources in daily professional practice and teaching work?*
- *What is the state of the experience and skills most widely used today among our teachers?*

Co-funded by the
Erasmus+ Programme
of the European Union
